Too Many from New York. It was stated at the White House that with the exception of Mr. Page no offers had been made for other diplomatic posts. The president has had under consideration a list of men to whom he is favorably inclined, but the chief difficulty has been that many of these men reside in New York state, which he feels aiready has had conspicuous recognition.

Two members of the cabinet—Secretaries Redfield and McAdoo—Assistant Secretary Reesevelt of the navy department and Mr. Page have made their homes in New oYrk for many years.

The president had a taste today of the difficulties of tariff revision. Many of his callers came to talk for and of his callers came to take for all against various schedules. To all the president listened patiently, but gave not the slightest intimation of what was contained in the schedules of the tariff bill he is studying or what would be his own attitude toward those subjects.

JAILED FOR EXCITING

Washington Editor Advocated Bathing in the Nude.

the supreme court of the United States. The case takes its name from an article alleged to have been edited by Jay Fox and printed in the Agitator, a paper in Pierce county, Wash, in which the arrest of several persons bathing nude in the bay at Home, Wash, was discussed. Fox was sentenced to prison for two years after conviction on a charge of editing an article tending to excite disregard of the law. He claims that the law unthe law. He claims that the law under which he was convicted abridges the freedom of speech and of the press, but the supreme court of Washington held that it merely punished the abuse of this freedom.

The community of Home, according to the article Fox is averred to have They were Miss Ella Rysdorl, Spring Lake, Mich.; Henry Bacon, Pontiac, Mich., and Arthur Crandall, Brock-town, N. Y. poetry gave him the Pip."
When 14 Morgan to the English High school, where he showed a particular bent for mathe-matics, but had no gifts indicative of unusual mental power. Probably his first attempt at finance

took place in Boston. The school teacher gave him money with which to buy erasers. Young Morgan was gone for a long time. When he returned he handed the teacher that erasers and also some change.

"What's this for?" asked the teacher.
"I can you just enough to law the "I gave you just enough to buy the crasers at the price I have always paid for them."
"Oh," replied young Morgan, "I went around town until I could find a pince to buy them at wholesale."

For two years after graduating from the Boston High school Mr. Morgan was a student at Goettingen, Germany. At 21 he embarked upon his career as a banker. In his business life he was a man rough, emphatic and repellant, maccessible as the emperor Russia when he chose to be, the wo man in the world to interview.

and apparently never questioned the correctness of his methods. To his friends he was a simple, un-"I do not love money," Mr. Morgan is credited with saying, "but I do en-joy the excitement, the fun of making it."

He believed absolutely in himself

Business was not all to the life of him. Mr. Morgan cared little for society. but was fond of a good dinner, con-genial company, rare wines and fine

\$2,000,000 rather than pay the duty them demanded by the United States Mr. Morgan spent millions in his col-

lection of art, books and autiques, but gave away his treasures, many of them to public institutions.

NEW PRESIDENT GIVES FEELING OF CONFIDENCE Henry B. Thompson, New at Head of

Finishing Co., Is of Large Ability.

New York, March 31-Of Henry B. Thompson, the new head of the United States Finishing Co., the New York Journal of Comnerce says:
"The appointment of Mr. Thomp son is accepted as a strong step to-ward a reestablishment of confidence in the big institution. It has become known that he had little or no know-

ledge of the intimate affairs of the company until four or five weeks ago. His long connection with the Baurroft institution was characterized by a conservative business policy which would not permit the acceptance of work at a loss or for the mere sake of inducing fruitless competition.

"His residence is at Wilmington,
Del., although he has been occupying HIS DAUGHTER PRESENT.

The state of the country residence in New York recently. He is well known as a trustee of Princeton college and a man of the country. His knowledge of the finishing business is conceded to be second to none and it is accepted that the irregular and recently the country of the finishing business is conceded to be second to none and it is accepted that the irregular and recently the country of the finishing business is conceded to be second to none and it is accepted that the irregular and recently the country of the finishing business is conceded to be second to none and it is accepted that the irregular and recently the country of the finishing business is conceded to be second to none and it is accepted that the irregular and recently the country of the finishing business is conceded to be second to none and it is accepted that the irregular and recently the country of the finishing business is conceded to be second to none and it is accepted that the irregular and recently.

tain methods of handling business have been stopped and will not be resumed by the largest of the finishing con-The creditors' committee is really clothed with the power of a board of receivers without being such a board or putting stockholders and creditors to the expense of a change such as would have to come if a receivership were deemed necessary. It is stated that the action of the committee will insure not only steady running of the various plants, but will add greatly in

SLOW PROGRESS

Washington, March 31. — President Wilson probably will fill the majority of the nine ambassadorships now vacant before the beginning of the extra session of congress next Monday.

The president expects to confer with many of his friends this week and it is believed that when congress convenes nominations for the more important that we have the senate. The

Looking West for Material. Augustus Thomas, the playwright, and William Church Osborn have been mentioned for diplomatic places, chiefly France and Germany, but the fact that both come from New York state is said to be a circumstance that is giving the president no little em-barrassment. He is known to hold beth in high regard. Mr. Wilson has been disposed to look further west for some of his diplomatic appointments.

Having Tariff Troubles.
